240 Wisp, most too wispy to suit me	3/25	5/25	7/25	100/25¢
210 Yellow Bird, I didn't believe the bulb sent me for 75¢ would ever grow but it did and bloomed the first year. Now it has a nice family and I like it.	.60	.40	.35	4/25¢

My brother, Mr. Mills, claims no responsibility for the little ones. He doesn't write any letters, either, but I like my winter correspondence so if this list arouses any questions shoot them at me.

The wholesale list will be about two weeks later. As of Nov. 17 we've still quite a few bulbets to lift, and I hate to advertise what we may never have.
